

21 WHAT HAPPENS NEXT

Thank you for taking the time to look at Suffolk County Council's proposals for this site. Your views are important to us, and we will take them on board as we progress our plans in preparation for a formal planning application.

If you have any questions or comments, we would be very grateful if you could take the time to complete the comments form provided on the website.

Should you wish to email your comments, please send them to:

office@phase2planning.co.uk

All comments received will be recorded and analysed. Once the comments have been taken into consideration the proposals will be finalised and all of the supporting information that will need to be submitted with a planning application will be prepared.

It is anticipated that a planning application will be submitted in July 2021 and anyone wishing to comment will be able to do so to the Council on the application in due course.

The deadline for comment submission is **5pm on 20th June 2021**. Please note that comments received after this date may still be taken into consideration.
