

1 WELCOME

Thank you for taking the time to attend this public exhibition of our proposal for the proposed residential development on **Land to the rear of Brent Hall Lane** (shown opposite).

The exhibition comprises a series of boards which provide some background information to show you our initial ideas for the site.

This exhibition has been organised by The Harding Group Ltd who will undertake the proposed development. The purpose of this exhibition is to give you the opportunity to provide the team with your views on our initial proposal for the site before a planning application is submitted. We will consider feedback from this exhibition when working up the final planning application documents which will be submitted to Braintree District Council.

There are comments forms available today at this exhibition that you can fill in to give us your comments or you can visit www.phase2planning.co.uk to view the boards and download the form.
